

Through the Roof Ministries is a Christian organization based in Akron, Ohio and Jesus de Otoro, Honduras. There are currently three main outreach ministries:

Integrate into My World: Our vision is that every child, teen and adult, affected with disability, will bring specific and special gifts and talents to the church and community. We are moving forward and 75% of the 40 X 65 center is complete in Jesus de Otoro, Honduras. We will begin with a therapy center, wheelchair workshop and handicraft center in the beginning of 2008. Your help is needed to join us for short-term and long term mission trips to complete the building, provide wheelchairs and therapy in Honduras. Please consider sponsoring a child to receive therapy for \$5 per visit or \$50 total cost for 10 visits.

Strength of Heart: A speaking and teaching ministry, founded by **Shanda Grubb**, to provide inspiration, encouragement, motivation, and hope to audiences of all ages through the sharing of the Word of God, and unique life-lessons learned through living life with a disability. Please call us if you are interested in having us speak at your church or event or would like to learn more about workshops available. We have a DVD available for your review.

TTRM - Reach Out: Through this program we meet the physical and spiritual needs of those affected by disability by networking with like minded individuals, churches and ministries to provide medical and rehabilitation equipment, give Bibles and share the love of Jesus. We are partnering with *Wheels of Hoped* to collect wheelchairs, walkers, canes and crutches. Please contact us to learn more.

Teo a young man in Honduras, was shot while in bed on his coffee plantation, has received his first wheelchair and recently accepted Jesus! He has learned to assist with wheelchair repair and is teaching disability awareness in his local community. Lives are being changed in the present day and for eternity.

Please join us in making a difference!

Through volunteers and prayers from friends like you, we are able to plant seeds, water and see the Lord grow the love of Jesus as Lord and Savior in the hearts of the lost around the world and assist those with disabilities to integrate into the community and the church in the US and around the world.

Thank you so much for your consideration of joining us through your prayers, gifts, talents and financial support to enable us to spread the love and joy of Jesus Christ through your selfless giving!
